Company Introduction

Tuopu Development

1983
Tuopu was founded in Ningbo,China

1992
Supplied VW

2000
Set up the first R&D center

2001
International market

2008
Set up North American R&D Center

2015
IPO SHA stock exange

2016
First oversea plant in Brazil

2023
Robot division

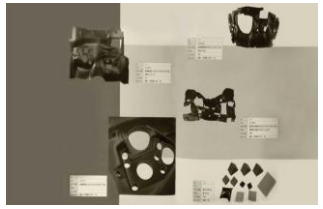

2025
Acquire Changpeng
3亿人民币 | 内饰产品

长鹏汽车
CHANGPENG QICHE

1984
Supplied Beijing Geep

1996
Automobile interior trim

2004
Chassis system field & Lightweight field

2009
Auto mechatronics

2014
R&D of IBS & EPS projects

2020
Thermal management system

2021
Entered Air suspension system

Sales main business

> Sales:
- YOY increased from both domestic & oversea business
- Oversea business portion **22.6%**
- Big sales increase on " 汽车电子" from 2021 183 Mio to 2025 **2,769 Mio**

> Gross Margin:
- Margin dropped mainly from **material & depreciation**
- Oversea margin better than domestic refer below table

Margin	Y2021	Y2022	Y2023	Y2024	Y2025
Domestic	18.2%	19.2%	21.3%	18.6%	17.3%
Oversea	23.8%	25.4%	23.5%	22.0%	20.5%
Total	**19.9%**	**21.6%**	**22.9%**	**20.8%**	**19.4%**

➢ **High investment with low R&D cost**

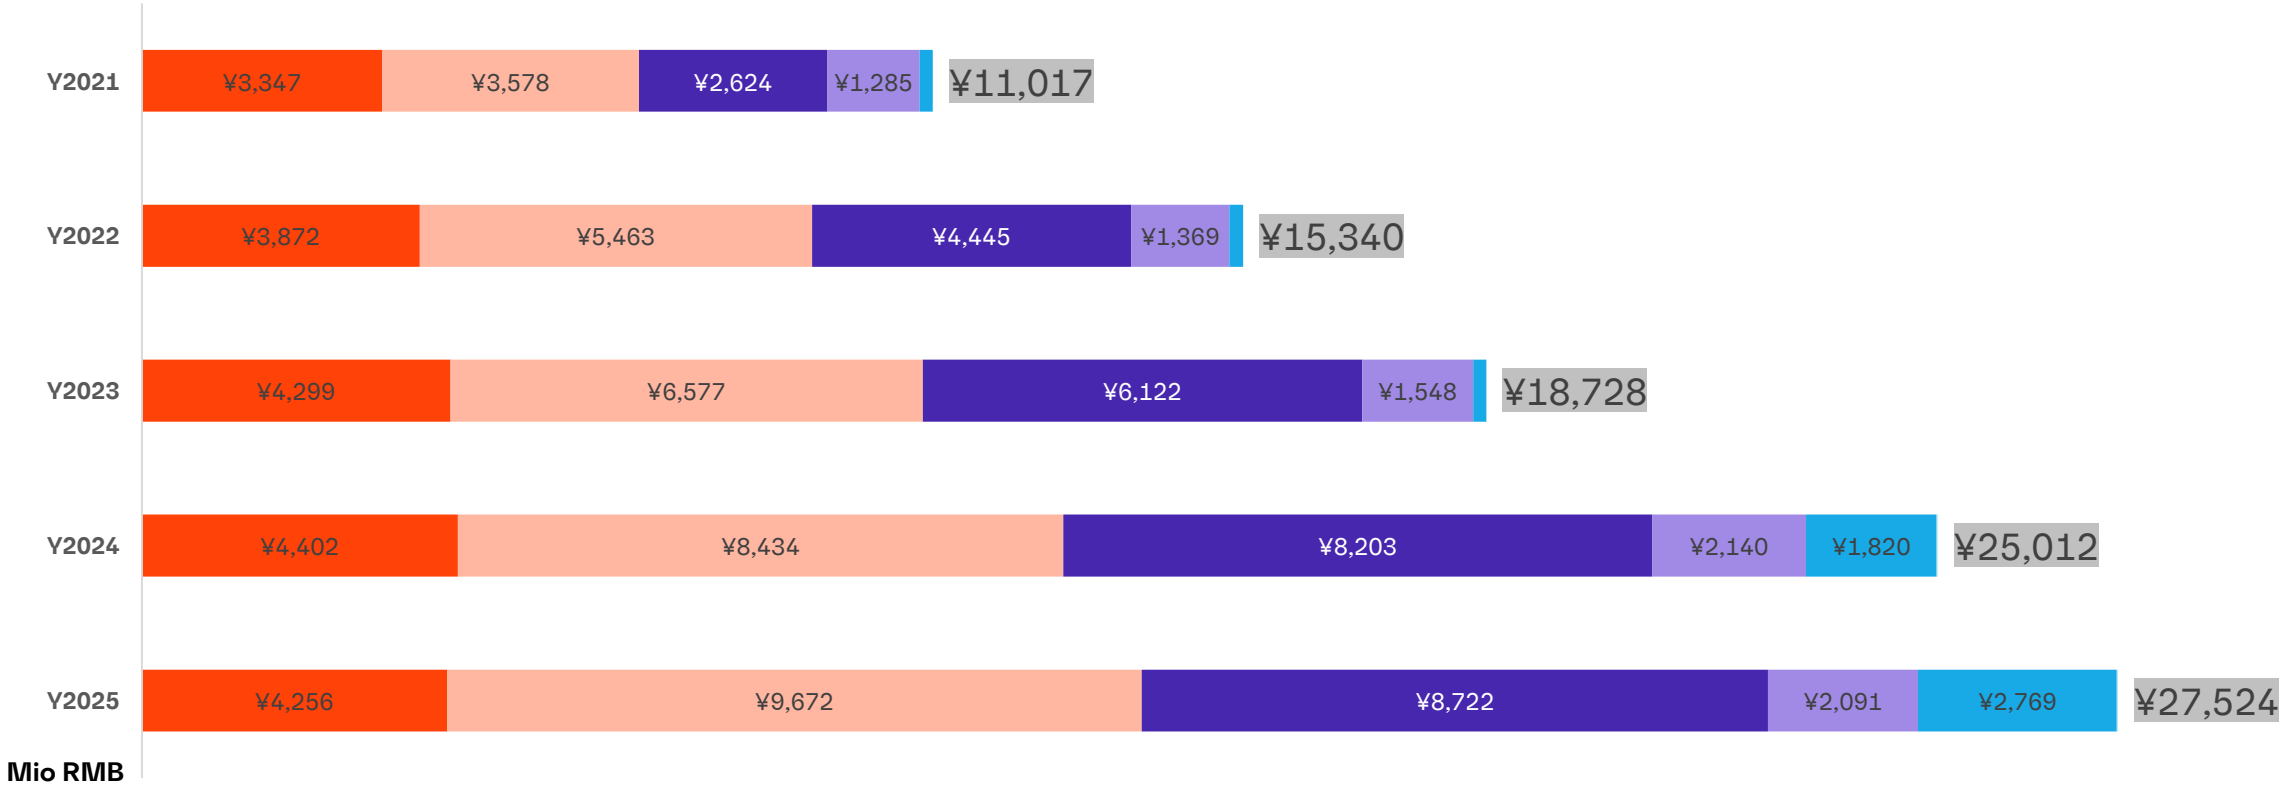

➢ **EBIT:** Y2025 go down to two digital mainly from margin ↓

➢ **Working Capital:**
- **High** inventory due to 100+ production plant
- AP & AR offset each other
